

Healthy Air Technology Ltd Policy	HATLCP 01.02.01 Issue 1 Effective date 06/2021 Page 1 of 2
--	--

This Healthy Air Technology Ltd Policy is approved by the HATL Board; it represents the HATL Board's direction to the business on this topic. Compliance with this policy is mandatory through aligning Healthy Air Technology Ltd Management System processes and people behaviours to the commitments below.

Fraud Prevention and Anti-Bribery and Corruption Policy

Policy Statement

Healthy Air Technology Ltd is committed to operating a framework for the prevention and detection of fraud, bribery and corruption and a robust process to be followed in the event that a fraud, act of bribery or corruption is suspected.

Commitments

We shall be a Company that:

- will uphold all UK legislation relevant to countering fraud, bribery and corruption, including the Bribery Act 2010
- requires employees and persons working on our behalf to act at all times with honesty, integrity, propriety and due care in all matters, but particularly in the safeguarding of the Company, its associated assets and its reputation
- strictly prohibits and will not tolerate fraud, acts of bribery or any other form of corrupt behaviour understands and regularly assesses the nature and extent of risks relating to fraud, bribery and corruption
- ensures by appropriate due diligence that those it does business with share the culture of intolerance to fraud, bribery and corruption
- maintains and clearly communicates its expectations through the Code of Responsible Business Conduct, Company Policy and, for employees, the Terms & Conditions Manuals
- dedicates sufficient resources to implement and embed procedures and to provide anti-fraud, bribery and corruption training
- ensures that practical, cost-effective controls and procedures are implemented to proactively identify fraud, bribery and corruption or the threat of fraud, bribery and corruption
- formulates and requires adherence to control processes designed to prevent and detect fraud, acts of bribery and corruption
- remains alert to the risk of fraud, bribery and other irregularities both within the organisation and in organisations with which the company contracts and reports any matters of potential concern
- recognises that signs of fraud, bribery and corruption in the organisation and/or its supply chain could be an indication of other illegal or unethical activity, such as modern slavery and/or human trafficking

Healthy Air Technology Ltd
